THE ALUMNI CONNECT CELL

The Alumni Connect Cell of the Department of Statistics, University of Delhi was formed in the academic year 2025. The Cell is initiated with the purpose of fostering strong and meaningful connections between the department and its alumni network. The Cell's prospective approach is to build a vibrant community that stays connected with the department and contributes to its continuous growth and success.

The objective is to create a collaborative platform that enables current students and alumni to engage in knowledge sharing, mentoring, and professional development. Through interactive sessions and events, the Cell aims to celebrate the achievements of our alumni and to inspire the students by showcasing diverse career paths.
