**Date: 11/04/2026**

**Report on ConvergeX: Recollecting the Variables  
Alumni Meet- 2026**

**Venue: Auditorium (Satyakam Bhawan), Faculty of Mathematical Sciences, University of Delhi, New Delhi-110007**

The Alumni Connect Cell of the Department of Statistics, University of Delhi, successfully organized “**ConvergeX**” **Alumni Meet 2026** on 11 April 2026 at the Auditorium, Faculty of Mathematical Sciences. The event was planned to reconnect alumni with their alma mater, strengthen the alumni network, and create a platform for meaningful interaction between alumni, faculty members, and current students.

The event was graced by the Chief guest Prof. S. C. Gupta, an alumnus of the first batch of Statistics and a renowned academician, distinguished guests of honour, Prof. Anil Kumar, Chief Executive Officer (CEO) of the University of Delhi Foundation, and their presence added great value to the occasion and made the event more memorable for all attendees.

The programme began with a formal inaugural session at 11:00 AM in the Auditorium, Faculty of Mathematical Sciences. During the welcome address, their words reflected on the department’s journey, its alumni's achievements, and the importance of maintaining a strong alumni network. The event then moved into interactive sessions and informal conversations, where alumni had the opportunity to reconnect with their batchmates, teachers, and juniors. These interactions created a warm, nostalgic atmosphere and strengthened the bond between past and present members of the department.

A vibrant cultural segment was also organised as part of the event, which added energy and enthusiasm to the reunion. The performances included group dance presentations, classical performances such as Bharatanatyam and Kathak, musical performances, and a flute recital. These cultural activities made the event more engaging and enjoyable for everyone present.

The meet saw enthusiastic participation from alumni across batches, with 57 alumni attending. The alumni represented diverse professional backgrounds, which made the interactions especially enriching. Among them, 16 alumni were working in the corporate sector, 22 were serving as professors at different universities, and 14 were associated with various government ministries. This diverse participation provided current students with valuable insights into different career paths and professional experiences.

Overall, “ConvergeX” Alumni Meet 2026 was a memorable and successful initiative that not only revived old memories but also strengthened the sense of community within the Department of Statistics. The event successfully achieved its objective of fostering meaningful alumni engagement and strengthening the connection between the department and its alumni. Add About vote of thanks from Dr. Suman Jaiswal, Nodal Officer of Alumni Connect cell. The Alumni Connect Cell looks forward to organising more such events in the future to continue building and nurturing these valuable relationships.
