National Conference on
Statistical Methods and Applications in Interdisciplinary Areas (SMAIA)
April 11 – 12, 2025

Organized by

Department of Statistics, Faculty of Mathematical Sciences
University of Delhi, Delhi – 110007

The National Conference on **Statistical Methods and Applications in Interdisciplinary Areas (SMAIA)** will be held on **April 11–12, 2025**, at the **Department of Statistics, University of Delhi**, **Delhi**.

Aligned with the vision of **"Viksit Bharat 2047"**, SMAIA fosters innovation in various inferential and modelling fields such as Sampling, Bio Statistics, Order Statistics, Design of Experiments, Reliability and Life Testing, Quality Control and Bayesian Statistics.

Call for Papers

We invite **original abstracts (max 300 words)** on topics including but not limited to:

- Probability Theory and Applications
- Statistical Inference
- Survey Sampling
- Bayesian Inference
- Applied Statistics
- Data Mining
- Biostatistics
- Statistics and Environment
- Statistical Modelling
- Time-series Analysis and Forecasting Models
- Demography and Population Studies
- Data Science Techniques
- Design of experiments
- Deterministic and Stochastic Modelling
- Official Statistics
- Reliability and Quality Control

Important Dates:

Abstract Submission Begins	January 15, 2025
Abstract Submission Ends	February 15, 2025
Notification of Acceptance	February 28, 2025
Registration Closes	March 30, 2025
Conference Dates	April 11 – 12, 2025

Registration Fees

Participant Type	Fees
Faculty/ Scientists	₹ 2,000
Industry Personnel	₹ 3,000
Students	₹ 1,000
Foreign Delegates	$ 100
Accompanying Person	₹ 1,000

Join us to share knowledge, and drive innovation in statistical methods.

Other details will be announced soon.
