FACULTY OF MATHEMATICAL SCIENCES
UNIVERSITY OF DELHI
DELHI-110007**

NATIONAL YOUTH DAY

Date: 12th January, 2022

Location: Google Meet

A Webinar on the topic “Preparation Strategy for Indian Statistical Service Examination” was organized by The Heritage Club under the guidance of teacher coordinator and Head of the department Prof. Gurpreet Grover on National Youth Day.

The program began with a brief overview of National Youth Day and its significance, followed by a cordial welcoming address for the guest speaker, **Miss Nausheen Musharraf (ISS AIR 6)**, an alumna of the Department of Statistics.

The speaker initiated the session by providing an overview of the ISS examination, elucidating its structure and key components. She then delved into the crucial aspects of preparation, offering her personal strategies, ideas and effective tips to aid the participants in their journey towards success. The webinar fostered an interactive environment, with students actively engaging in a question-and-answer session to clarify their doubts and seek further guidance on various aspects of the examination. The enthusiasm displayed by the participants underscored the significance of the event, with over 90 individuals actively participating throughout the session.

The webinar served as a platform for aspiring candidates to gain valuable insights and strategies essential for navigating through the complexities of the Indian Statistical Service Examination, thus contributing to their preparation and eventual success.
