BLOOD DONATION DRIVE

Date: 24th February, 2025

Location: Department of Statistics, University of Delhi, Delhi

Introduction

The blood donation drive, organized jointly by Udaan: The Socio-Cultural Cell, Department of Statistics, University of Delhi, in collaboration with the All-India Institute of Medical Sciences (AIIMS), Delhi, took place on February 24, 2025. The event was held in the auditorium of Satyakam Bhawan at the University of Delhi, where AIIMS facilitated the donation process by bringing essential medical equipment, such as beds and syringes, in their van. The initiative aimed to encourage voluntary blood donations to support those in need.

Highlights of the Event

The collaboration between Udaan and AIIMS, Delhi, played a crucial role in the seamless execution of the blood donation drive. The event saw active participation from the Head of Department, faculty members, non-teaching staff, and students of the University. AIIMS, Delhi, along with an official from the WUS Health Centre, provided vital medical expertise and support, ensuring donor safety throughout the process. The team efficiently handled every aspect of the drive, from registration to post-donation care, making the initiative a well-organized and impactful effort.

Impact

From the total of 110 participants, 73 units of blood were collected from eligible donors, contributing to the supply needed in hospitals and healthcare facilities. The blood donation drive was a remarkable success, with the collective efforts of organizers and participants playing a vital role in addressing the crucial demand for blood in medical care.
