BLOOD DONATION DRIVE

Date: 2nd April, 2024

Location: Department of Statistics, University of Delhi, Delhi

Introduction

The blood donation drive, a joint effort by Udaan: The Socio-Cultural Cell, Department of Statistics, University of Delhi in collaboration with All India Institute of Medical Sciences, Delhi, took place at the Faculty of Mathematical Sciences of the University of Delhi. It was held on 2nd April, 2024 in the form of a bus drive where AIIMS sent their mobile blood donation van. This initiative aimed to collect blood donations from willing donors as a means to help those in need.

Highlights of the Event

The partnership between Udaan and AIIMS, Delhi, ensured the smooth execution of the blood donation drive. The Head of Department, teaching and non-teaching staff, and the students of the University actively participated in the event. AIIMS, Delhi, and the official from WUS Health Centre provided essential medical expertise and support, ensuring the safety of donors throughout the event. The team efficiently managed all aspects of the donation process, from registration to post-donation care.

Impact

45 units of blood were collected in total which will help in meeting the demand for blood in hospitals and healthcare facilities. Overall, the blood donation drive was a significant success. Through the collective efforts of organizers and participants, the event made a substantial contribution to fulfilling the crucial need for blood in healthcare services.
